

**North Food Polska S.A.** is a dynamically developing organisation which runs a chain of restaurants. The company was founded by Michał Sołowow in 2002. North Food currently manages 46 restaurants in the Quick Service Restaurants and Casual Dining Restaurants segments, in two formats: North Fish and JOHN BURG.

North Fish is a chain of restaurants specialising in fish and seafood. Its premises are located in the largest shopping centres in Poland. The JOHN BURG brand consists of restaurants serving excellent quality burgers and steaks from certified Black Angus beef.

North Food Polska S.A. is part of the Michał Sołowow's Capital Group, which includes such established companies as Synthos, Cersanit, Barlinek and Komfort, as well as start-ups like 3DGence, New Era Materials and Homla.
